Compare Commodore.

It's the solution to your business problems.

$000.00

Compare Commodore—the business computer system that's providing solutions for more than 100,000 people all over the world.

Compare Commodore's word and data processing capabilities with computers costing twice or even three times as much. Compare Commodore's solutions to problems as varied as these:

- ☐ A car leasing company uses a 16K Commodore to control all aspects of more than 1200 leases.
- ☐ A law firm uses a Commodore system with the WordPro software package as a high quality, easy-to-use, affordable word processing system.
- ☐ A paint and wallpaper store uses two 32K Commodore computers, floppy disk and printer to manage some 600 product lines in inventory—and do the accounting, too.

Commodore can solve the problems that stand in the way of increased profitability—for you and your business.
